Accident in Mehrauli quarry

133. SHRIMATI MAIMOONA SULTAN: Will the Minister of LABOUR be pleased to state:

(a) whether it is a fact that a labourer was buried alive and another seriously injured when mounds of earth collapsed on them on January 14, 1986 while they were working in a Mehrauli (Delhi) quarry;

(b) if so, what are the findings of the inquiry, if any conducted into the causes and circumstances of the accident and the action taken by Government in the light thereof; and

(c) what is the number and details of quarry and mining accidents in Delhi during 1985-86 so far and the steps taken and proposed to be taken to prevent such incidents in future?

THE MINISTER OF STATE IN THE MINISTRY OF LABOUR (SHRI P. A. SANGMA): (a) and (b) As per reports received, on 14th January, 1986, there was no accident in any mine in Delhi area, which is covered by the provisions of the Mines Act, 1952. Delhi Administration had, however, reported a case of a labourer being buried alive and another getting injured on that day in the course of digging earth in Mehrauli. The Delhi Police had registered a case against the persons responsible for the accident.

(c) The details of the accidents, which occurred during the period, in the mines.
